The Foreman and Members of the  
Grand Jury of Somerset Co.

Gentlemen:

In the event that testimony is presented to you that I have information concerning the murders of Rev. Hall and Mrs. Mills on Sept. 14, '22 I am writing to request that I be given permission to appear before your body upon the understanding that I will waive immunity from prosecution by reason of any testimony which I may give.

In the evening of Sept. 14, in company with Mrs. Carpender, I left my home on Nichol Ave. at about 7 P.M. We drove in my automobile to the home of James K. Rice, Jr. on Adelaide Ave. Highland Park. Mrs. Carpender and I dined there with Mr. and Mrs. Rice and remained there until about 10.30 P.M. when Mrs. Carpender and I returned to our home. I did not leave my home thereafter until the following morning when I took the train from New Brunswick to New York.

Respectfully yours,

H. de La. B. C.
